(2) Under the heading "E—Water sub-division (5)" in the entry in the register headed "Local water supply application" against the entry for the month of "December" in the Agency sub-division, the words "before of January" shall be substituted.

Fort St. George, March 27, 1935
(G.O. No. 414, General).

No. 141.—

The system under the Talsar Reservoir in the South Arun district has been found for each channel and an aerial register has been prepared, showing the lands which may be irrigated with water from the Reservoir. It is proposed to issue standing permits for the lands included in the register, and in which the system, under which applications for water are required annually.

The following draft of an amendment to the rules for the levy of water-tax on Government and private lands and lands in which there is a right to use water from the Talsar Reservoir in the South Arun district, published with Government Department Notification No. 117, dated the 21st July 1932, at page 635 of Part I of the Fort St. George Gazette, dated the 18th July 1932, which the Government in Council proposed to make in exercise of the power conferred by section 1 of the Madras Irrigation Code No. 1085 (Madras Act VI of 1929), in London published, as required by section 2 of Madras Act VI of 1929, for general information, before the said date and the draft will be taken into consideration on or after the 26th June 1935, and that any objection or suggestion which may be received from any person with respect thereto before the said date will be considered by the Government in Council.

Water Application.

For rule II of the said rules, the following rule shall be substituted, namely:—

"II. (1) The rules specified in rule I are those chargeable where the irrigation takes place under and in accordance with the terms of a permit issued by the Executive Engineer and for the time being in force. No application for such permits is necessary. Any permit issued by the Executive Engineer shall remain in force until it is cancelled by him by notification in the district gazette. If a draft of a permit is shown in the permit, the lands shall be irrigated only from such source or pipe and with water in such available under proper authority.

(2) For irregular irrigations, water-tax shall be levied in accordance with the rules contained in Revenue Department Notification No. 115, dated the 21st May 1932, published at pages 779-783 of Part I of the Fort St. George Gazette, dated the 21st May 1932, as amended or amended from time to time."

Fort St. George, January 15, 1935
(G.O. No. 414, General).

No. 142.—

In exercise of the powers conferred by section 1 of the Madras Irrigation Code Act, 1929 (Madras Act VI of 1929), as amended by Madras Act V of 1932 and II of 1933, the Government in Council hereby places under the following amendment to the rules in Appendix I-B (Part I) to the Standing Order No. 4, paragraph 2, for the levy of water-tax on the irrigators of crops in the Talsar Reservoir, South Arun district, and the Talsar Reservoir. The amendments shall come into force on the 1st day of July 1935:—

AMENDMENTS.

I. To rule 52 of rule I of the said rules, the following provision shall be added, namely:—

"Provided that a garden crop sown in the Kishan Vardan delta shall be treated and charged as a first wet crop in any land in which such crop is not irrigated after the 15th December with Kishan water supplied through any source whether Government or private."

II. After rule 1 of the said rules, the following rule shall be inserted, namely:—

"1. A irrigator, whether by direct flow or after raising the water by lifting or by means of a mechanical contrivance, after the 15th December in any land of any kind in the Kishan Vardan delta except from and within the lands in which the lands or channels pertaining to the lands are included in the said rules to be irrigated and shall be irrigated."

Provided that this rule shall not deter the irrigation of a second crop of garden crop after the 15th December from lands irrigated with Kishan water not later than the 15th December in any field or from supplementary source such as well.

Application for the recognition of lands to be irrigated with Kishan water not later than the 15th December in such lands shall be made to the Executive Engineer who will be the examining authority. Such recognition may be granted by the Executive Engineer shall continue to be in force until it is cancelled by him."

III. In paragraph II of rule II of the said rules, for the last three sentences beginning with the words "generally prohibited" the following shall be substituted, namely:—

"(1) Except in cases in which irrigation is prohibited by rule I, for garden crops, an irrigator of any land may apply to the Executive Engineer on or before the 15th January for the supply of water for the irrigation of wet or garden crops on a survey field or extension of a survey field."

Provided that an application shall be required for irrigation during the aforesaid season from and within the limits or number of the lands or channels mentioned in the schedule appended to these rules or from lands irrigated with Kishan water not later than the 15th December in any land and irrigated under rule I."

Provided further that water may be taken without application for the cultivation of garden crops on lands notified in the district gazette subject to such conditions and limitations as may be specified in the notification.

IV. In paragraph II of rule II of the said rules, for the words "wet crop," the words "wet or garden crop" shall be substituted.

V. In Form A annexed to rule II of the said rules, in the heading and in item 5, for the words "wet crop," the words "crops other than garden crops" shall be substituted.

VI. After Form A annexed to the said rules the following form shall be inserted, namely:—

4. The applicant's interest in the land, if the applicant is not the registered holder, and the approved holder consented to the application?
5. What crop is it desired to irrigate?
6. Has the land previously received water for the irrigation of garden crops and if so in what lands and for what crops?
7. Has the Public Works Department refused water before, and, if so, in what lands and for what crops?
8. How is the land closed in the Settlement Register (dry, pasture, lease, etc.)?
9. From what channel can water be supplied?
10. Has the applicant a supplementary source of irrigation such as a well from which he can continue irrigation after the 15th January season in December and, if so, what is the description of the supplementary source?
11. Other.

III.—*Regulations respecting the inspection.*

10. The department will arrange for the systematic inspection of establishments. Inspections will be of two kinds, viz., "routine inspections" made at the discretion of the department and "special inspections" made on the request of the applicant.

17. An initial fee of Rs. 10 for classes I, II and III and Rs. 5 for classes IV and V will be levied, which will cover the cost of three routine inspections, but no refunds will be made, if the cost of the fee is not completely utilized. It will also cover the cost of special visit in the cost of not more than two routine inspections per year. Special inspections or more on more of them except for the initial fee will be charged for at the rate of Rs. 5 per visit for a routine and Rs. 7-5-0 for a special.

18. No refundation will be granted unless the corresponding fee per annum or special fee per visit is paid in advance. On the expiry of the period for which the compensation has been paid, a notice will be issued by the department at which where application has not been received for the continuance of the departmental inspection and the prescribed compensation fee has not been received.

19. In addition to the fee prescribed in rule 17, the applicant will be required to supply material and labour necessary for the repair work to be carried out by the department.

20. Extensive regular inspection of a plant will be undertaken only after the plant has been assessed and found to be in good condition. If it is not found in good condition, the authorities will be informed when repairs are required. Only on completion of such repairs will extensive regular inspection be undertaken. If the applicant desires that the repairs should be executed under departmental supervision, such supervision will be arranged at a premium of five paise per inch in rule 16.

21. The Director of Industries may, without assigning any reason, refuse to undertake systematic inspection of any plant or installation.

IV.—*Working plant—Hand-labour apparatus*

22. Enquiries concerning hand-labour apparatus should be addressed to the first instance to the local Engineer of Industries, or to the local Assistant Industrial Engineer, or to the Director of Industries, Port Bell No. 101, Changan, Madras.

23. The hand-labour tools in the possession of the department will generally drill to a depth of two to three feet in ordinary soils but are available for boring in rocky strata. When deep borings are required in rock strata are required, a power drill—made within 1 inch—should be used. The department cannot guarantee the success of any boring whether put down by hand or power drill or guarantee whether fresh or hand-labour water will be tapped.

The Assistant Industrial Engineer may stop any boring work at any stage below 150 feet if it is found that the stratum reached through is not as necessary to enhance the safety of the well. If the applicant wishes drilling operations to be continued regardless of consequences and is prepared to execute a bond to the satisfaction of the Director agreeing to indemnify the department for all loss or damage, the Director may, at his discretion, permit continuance of the work under such conditions as he may impose.

24. Application for borings will be registered on receipt of the transport fee and advance mentioned below:

Applications from classes I, II and III—Twenty-five of Rs. 7-5-0, and an advance of Rs. 5 to cover bore for four days.

Applications from classes IV and V—Transport fee of Rs. 5-5-0 and an advance of Rs. 50, to cover bore for four days.

The advance payment of Rs. 50 (or with interest, as stated in the application) will be paid in advance that he is prepared to transport the net (except at his own expense within five days of the date of order).

It is more where a net has to work in a well, a large quantity of a certain amount should be paid to cover the net, if any, in working labour for removing the net from the well after completion or stoppage of the work.

25. The order in which the registered applications will be attended to will be decided by the department with reference to the locality where borings have to be made and the applicants will be duly informed when the boring point has been fixed at their disposal. If the place is not used after it has been decided in the site, the transport fee paid, if any, will be refunded and the advance returned.

26. The transport fee is intended to cover the cost of the carriage of the tools to the site required for boring. No part of it will be returned to the applicant whatever may be the cost of transport in any particular case, nor on the other hand will any further charge be made should the cost of transport exceed the fee provided.

27. The fee for the use of the hand-labour tools is Rs. 5 a day for classes I, II and III and Rs. 20 a day for classes IV and V. This fee covers the hire of the tools and the salary of the worker in charge thereof. The applicant must, however, provide labour and material necessary for operating the net.

28. The amount advance will cover the fee for four days. When it is exhausted, further advance must be sent to the amount of advance originally paid should be paid at once. As borings will on no account be put down on credit, the well will be stopped and the tools removed immediately the advance is exhausted, unless further advance is sent.

29. On the completion of the boring, any net still in the hands of the applicant will be returned. In the case of a boring conducted in a well the applicant should, within 48 hours of the completion or stoppage of work, supply labour to remove the net from the well. If he fails to do so, he will be liable for additional hire charge (Rs. 10) each time as the net is finally removed from the well and loaded into carts for removal. The additional advance levied under rule 25 will be utilized towards this. If, however, there has been no delay in the supply of labour, the latter advance will be refunded to the applicant.

30. Free will be charged for the use of the boring tools for every day that they remain at the work, apart from the days during which the tools are kept idle on account of the exhaustion of advance, delay in the supply of labour or any other cause. Free will be charged for the time during which they may be kept idle on account of accident, heavy rain or other causes beyond the control of the applicants, nor will any be charged for seasons of work on unfavourable land or local market (rainy) days. In cases where the tools are hired in the month free will be charged for seasons of work on unfavourable landings or local market (rainy) days.

In case of accidents to tools, living tools or materials, the applicant must, however, provide labour and material necessary for operating the net to recover the tools or tools. The Director may at his discretion waive the recovery of the net involved in whole or in part in exceptional cases.

31. The results of a boring will be communicated to the applicant who will be advised at the time that he should take to obtain the water-supply available. The applicant must, however, provide labour and material necessary to test the results.

32. In cases where artesian or sub-artesian water is met with, the bore, unless with, if the applicant so desires, he will in the bore, and the cost of the tubes must be borne by him. In the case of unproductive borings, the applicant must provide labour to remove the lifting tubes from the borings.

33. Hauling and other charges shall be fixed by the Board on preparation of the following tables:-

| Permanently | | Per diem | |
|---------------------------|---|---------------|---|
| Per diem | | Per diem | |
| For parties up to 10 | Rs. 10 a day subject to a maximum of Rs. 100 a month. | For 10 to 20 | Rs. 20 a day subject to a maximum of Rs. 200 a month. |
| For parties of 20 or more | Rs. 40 a day subject to a maximum of Rs. 400 a month. | For 20 to 30 | Rs. 60 a day subject to a maximum of Rs. 600 a month. |

| For parties of 40 or more | Rs. 80 a day subject to a maximum of Rs. 800 a month. | For 40 to 50 | Rs. 100 a day subject to a maximum of Rs. 1000 a month. |
| For parties of 50 or more | Rs. 100 a day subject to a maximum of Rs. 1000 a month. | For 50 to 60 | Rs. 120 a day subject to a maximum of Rs. 1200 a month. |
| For parties of 60 or more | Rs. 120 a day subject to a maximum of Rs. 1200 a month. | For 60 to 70 | Rs. 140 a day subject to a maximum of Rs. 1400 a month. |
| For parties of 70 or more | Rs. 140 a day subject to a maximum of Rs. 1400 a month. | For 70 to 80 | Rs. 160 a day subject to a maximum of Rs. 1600 a month. |
| For parties of 80 or more | Rs. 160 a day subject to a maximum of Rs. 1600 a month. | For 80 to 90 | Rs. 180 a day subject to a maximum of Rs. 1800 a month. |
| For parties of 90 or more | Rs. 180 a day subject to a maximum of Rs. 1800 a month. | For 90 to 100 | Rs. 200 a day subject to a maximum of Rs. 2000 a month. |

(These are estimates of transport charges.)

34. In the case of unattended borings not done by hand drills, the advance and the daily fees, but not transport charges, paid by the applicants will be refunded. Further a boring is successful or not will be decided by the Director of Industries on the merits of each case and his decision will be final. A borehole which taps brackish or salt water will not be considered a failure and no refund will be made in such cases.

35. The Director of Industries may, without assigning any reason, decline to pay down any boring and return to the applicant any sums that may have been paid by him.

V.—Boring Plant—Power Drills.

36. The power drills with which the department is supplied will ordinarily drill to a depth of 100 feet in any kind of rock. Assistant Industrial Engineers may stop any boring work at any stage before 100 feet if it is found that the stratum would be difficult to reach or necessary to enlarge the safety of the drill. If the successful boring drilling operations be continued the Director of Industries will be prepared to concede a loan to the individual of the Director's approval to reimburse the department for all loss or damage, the Director may, at his discretion, permit continuance of the work under such conditions as he may impose.

37. Expenses attending power drills should be submitted either to the local Supervisor of Industries, or to the local Assistant Industrial Engineer, or to the Director of Industries, Fort St. George, Chennai, Madras.

38. No fee or advance will, in the first instance, be demanded but a regular application for the use of power drills will be maintained.

39. The order in which the regulated applications will be attended to will be decided by the Director of Industries with reference to the locality where borings have to be put down, and applications will be daily informed when a power drill can be placed at their disposal. Immediately on receipt of the notice, the applicant should permit the transport fee and advance mentioned below:-

Applicant from classes I, II and III—Transport fee of Rs. 75 and an advance of Rs. 100.
Applicant from classes IV and V—Transport fee of Rs. 100 and an advance of Rs. 1,000.

If the amount is not paid within five days after the receipt of the notice, the application will be regarded as cancelled.

The advance payment of transport fee will however be waived if the applicant certifies in his application that he is prepared to transport the drill himself at his own expense within five days of the date of receipt of notice that the plant is ready for hire.

40. The department will voluntarily make arrangements to help the drill to the site of the proposed boring, except in cases where the applicant undertakes to transport the plant themselves within the specified time. The transport fee is intended to cover the cost of carrying, and no part of it will

be returned, whatever may be the cost of transport on any particular case, say, on the other hand, will any further charge be made should the cost of transport exceed the fee provided. If the drill is not used when brought to the site, the transport fee will be forfeited.

41. The fee for the use of a power drill is Rs. 6 a day subject to a maximum of Rs. 30 for classes I, II and III and Rs. 60 a day subject to a maximum of Rs. 300 for classes IV and V. This fee covers the hire of the drill and the wages of the operator and necessary for its working. All other charges connected with the work such as cost of labour, fuel, oil and other items should be borne by the applicant.

42. The official advance covers the hire of the drill for about twelve days. When it is exhausted, further advances must be paid at once. As boring work will go on as long as the advance is not exhausted, the work will be stopped and the drill removed immediately the advance is exhausted, unless further advances are duly paid.

43. On the completion of the boring, any sum still in the credit of the applicant will be returned subject to the deduction of the minimum fee prescribed in rule 41.

44. Fees will be charged for the use of the drill for every day that it remains at the workshop and for the days during which the drill is kept idle on account of the exhaustion of advance, delay in receipt of labour, fuel, advance money or other workable reasons. No fees will be charged for the time during which it may be kept idle on account of accident, heavy rain or other causes beyond the control of the applicant, nor will any be charged for erection of work on unattended borings or hand borings (shallow) dips. In cases of accidents to tools, lifting tubes or boreholes, the applicant must however provide labour, fuel, oil and other items necessary for repairing the plant to resume the work or when the Director of Industries may so direct where the recovery of the cost incurred in whole or in part is exceptional cases.

45. The results of a boring will be communicated to the applicant who will be advised of the stage reached by the drill in order to obtain the water supply available. The applicant must however provide labour and materials necessary to take the borehole.

46. In cases where advance or advancement value is not with, the lifting tubes will, if the applicant so desires, be left in the borehole and the cost of the tubes must be borne by him. In the case of unattended borings, the applicant must provide labour, fuel, oil and other items necessary to remove the lifting tubes from the borehole.

47. The Director of Industries may, without assigning any reason, decline to pay down any boring and return to the applicant any sums that may have been paid by him.

VI.—Pumping plant.

48. The engines in the possession of the department are capable of pumping up to 200 to 300 gallons per minute on a total lift up to 80 feet. High speed testing engines will not be worked for more than 4 hours a day and night, say, 24 hours. The latter part of the rule applies also to ordinary pumps not pumping sets.

49. Requests concerning pumping plant should be addressed either to the local Supervisor of Industries, or to the local Assistant Industrial Engineer, or to the Director of Industries, Fort St. George, Chennai, Madras.

50. No fee or advance will, in the first instance, be demanded, but a regular application for the use of pumping engines will be maintained.

51. The order in which the regulated applications will be attended to will be decided by the Assistant Industrial Engineer with reference to the locality, and applications will be daily informed when a pumping plant can be placed at their disposal. Immediately on receipt of the notice, the applicant should pay the transport fee of Rs. 10 and an advance of Rs. 50 in the case of classes I, II and III. The transport fee and the advance will be

Rs. 50 and Rs. 300 for appliances of classes IV and V. If the amount is not paid within five days after receipt of notice, the appliances will be regarded as abandoned. The advance payment of transport fee will however be waived if the applicant agrees to transport the plant himself at his expense within five days of the date of offer.

37. The department will seriously make arrangements to carry the plant to the spot except in cases where the applicant undertakes to transport the plant themselves within the specified time. The transport fee is intended to cover the cost of the carriage of the plant. No charge may be levied on the applicant in any particular case; but on the other hand an additional charge will be made should the cost of transport exceed the above fee. If the plant is not accepted when brought to the site, the transport fee will be forfeited.

38. The fee for use of a pumping plant is Rs. 3 a day subject to a maximum of Rs. 25 for classes I, II and III and Rs. 30 a day subject to a maximum of Rs. 350 for classes IV and V. This fee covers the hire of the plant and the wages of the trained driver or men engaged thereon. All other charges connected with the work such as cost of labour, fuel, oil and other stores must be borne by the applicant.

39. The original advance covers the hire of the plant for about six days. When it is exhausted, further advance must at least to the amount of advance originally made, should be paid at once. As pumping will on no account be done on credit, the work will be stopped and the plant removed immediately the advance is exhausted, unless further advances are duly paid.

40. On the completion of the pumping, any sum still in the credit of the applicant will be returned subject to the deduction of the maximum fee prescribed in rule 38.

41. Fees will be charged for the use of the pumping plant for every day that it remains at the work-site for the days during which the pumping plant is kept idle on account of the exhaustion of advance, delay in supply of labour, fuel or other appliances, or when the work will be charged for the time during which it may be kept idle on account of accident, heavy rain or other causes beyond the control of the applicant, nor will any be charged for cessation of work on authorized holidays or local market (shandi) days. In cases where the work is held by the month fees will be charged for cessation of work on authorized holidays or local market (shandi) days.

In cases of accidents to engines or wells, the applicant must however provide labour, etc., necessary to remove the plant from the well. The Director may at his discretion waive the recovery of the cost involved in exceptional cases.

42. Certain special pumping plants working on hand fuel when not required by the party are also available for monthly hire on payment on the following terms—

| | Provisional Hire (Rs.) | Per month (Rs.) |
|--------------------------|------------------------|-----------------|
| For one month | 50 | 50 |
| For three months | 75 | 150 |
| For six months | 100 | 250 |
| For one year | 150 | 500 |

The transport fee prescribed in rule 37 will be levied in addition to cover the cost of carriage of plant except in cases where the applicant undertakes to transport the plant themselves within the specified time. The conditions of monthly hire are otherwise the same as those governing daily hire. Applicants may extend the period of hire by paying the advance according to the above table, provided that the hiring is continuous.

43. The Director of Industries may, without assigning any reason, decline to issue any pumping plant and return to the applicant any sum that may have been paid by him.

VII.—Mining appliances.

44. The blasting appliances in the possession of the Department are lent for the purpose of work of breaking with a view to restoring the water-supply. Mining will ordinarily be of use only in hard rocky soils.

45. Enquiries concerning blasting appliances should be addressed to the Head Supervisor of Industries, or to the local Assistant Industrial Engineer, or to the Engineer of Industries, Post Box No. 221, Chapeau, Madras.

46. Applications for the use of the appliances will be registered on payment of an advance of Rs. 10 for classes I, II and III and Rs. 15 for classes IV and V. The order at which the registered appliances will be allocated to will be decided by the Assistant Industrial Engineer with reference to the locality, and the appliances will be duly returned when the advance has been placed at their disposal. If the blasting appliances are not accepted within fifteen days, the advance will be forfeited.

47. The advance covers the cost of one blast. For each extra blast a fee of Rs. 1-6-0 will be charged for classes I, II and III and Rs. 17-6-0 for classes IV and V.

48. The results of the blasting will be communicated to the applicant who will be advised of the steps that he should take with reference to the results obtained.

49. The Director of Industries may, without assigning any reason, decline to carry out any blasting and return to the applicant any sum that may have been paid by him.

VIII.—Spraying-cum-creting mills.

50. The department is in possession of a small number of spraying-cum-creting mills which are available for hire.

51. Enquiries concerning spraying-cum-creting mills should be addressed to the Head Supervisor of Industries, or to the local Assistant Industrial Engineer, or to the Director of Industries, Post Box No. 221, Chapeau, Madras.

52. No fee or advance will, in the first instance, be demanded, but a regular application for the use of the mill will be maintained.

53. The order in which the registered applications will be attended to will be decided by the Director of Industries with reference to the locality, and appliances will be duly returned when a mill can be placed at their disposal. Immediately on receipt of the return, the applicant should send an advance of Rs. 20 if a mill alone is required and Rs. 300 if a combined mill and engine is required. If the amount is not paid within five days after the receipt of the notice, the appliances will be regarded as abandoned.

54. A transport fee of Rs. 50 will be charged. The advance payment of transport fee will however be waived if the applicant agrees to transport the plant himself at his own expense within five days of the date of offer.

55. The monthly hire charge for the use of the plant are Rs. 50 for a mill and Rs. 300 for a combined mill and engine. The charge covers that hire of the plant and the wages of the driver in charge of the engine. All other charges connected with the work such as cost of labour, fuel, oil and other stores must be borne by the applicant.

56. The advance of Rs. 20 or Rs. 300, as the case may be, covers the hire of the plant for a month. When the sum is exhausted, further advance must be sent to at least a month's hire should be paid at once. As the plant will be on account be lost on credit, the work will be stopped and the plant removed immediately the advance is exhausted, unless further advances are duly paid.
